Vanilla Twilight ◦ **Owl City**

[Verse I] B F# G#m E (X3) | B F# C#m E
The stars lean down to kiss you
And I lie awake and miss you
Pour me a heavy dose of atmosphere

'Cause I'll doze off safe and soundly
But I'll miss your arms around me
I'd send a postcard to you dear, 'cause I wish you were here

[Instrumental Break] B F# G#m E | B F# C#m E (X2)

[Verse II] B F# G#m E | B F# C#m E (X2)
I'll watch the night turn light blue
But it's not the same without you
Because it takes two to whisper quietly

The silence isn't so bad
'Til I look at my hands and feel sad
'Cause the spaces between my fingers are right where yours fit perfectly

[Verse III] B F# G#m E | B F# C#m E (X2)
I'll find repose in new ways
Though I haven't slept in two days
'Cause cold nostalgia chills me to the bone

But drenched in Vanilla Twilight
I'll sit on the front porch all night
Waist deep in thought because when I think of you

[Bridge]
E B F# C#m B E C#m B E
I don't feel so alone, I don't feel so alone, I don't feel so alone
G#m G#m/G G#m/F# G#m/F E Em
As many times as I blink I'll think of you tonight
D#m E F# F# D#m E F# F# D#m E F# F# D#m E F# F#
I'll think of you tonight

[Verse IV] C# G# A#m F# | C# G# D#m F# (X2)
When violet eyes get brighter
And heavy wings grow lighter
I'll taste the sky and feel alive again

And I'll forget the world that I knew
But I swear I won't forget you
Oh, if my voice could reach back through the past
G#
I'd whisper in your ear
G#
Oh, darling I wish you were here

[Outro] C# G# A#m F# | C# G# D#m F# (X4)
